

Credit For Nonbusiness Energy Property Official Manufacturer's Certificate

ClimaShield[®]

Thermal Support System

This authentic document certifies that the genuine, field-applied, drop-in *ClimaShield*[®] Thermal Support System closed-cell rigid expanded polystyrene insulation panels (applied behind the siding panel at time of siding installation) are an ***Eligible Building Envelope Component*** and thereby qualify as an insulation material for the tax credit allowed under The American Recovery & Reinvestment Act of 2009 for Nonbusiness Energy Property of the Internal Revenue Code.
