PRESERVATION[®]

WHERE BEAUTY & FUNCTION MEET

We are positive that only Preservation

High-Performance Windows offer you the

greatest value for your money, and we are

willing to make this unique pledge . . . If, within

30 days of contract date, you can find any

replacement windows with ALL the Preservation

features at a lower price, WE WILL **INSTALL**

THE PRESERVATION WINDOWS, **REFUND**

THE DIFFERENCE, PLUS GIVE YOU AN

ADDITIONAL \$100 FOR YOUR TROUBLE.*

SUPERIOR WINDOW TECHNOLOGY

1. Premium vinyl masterframe and sashes will never chip, peel, crack or warp. The extruded color is formulated throughout so the beautiful luster lasts.
2. Foam-enhanced masterframe and sashes for added insulation efficiency.
3. Integral insulating air chambers help to reduce conduction and high-energy usage.
4. Quad 4 fin seal weatherstripping concealed in the header provides increased protection and enhanced aesthetics.
5. Optional triple-pane insulated glass unit with efficient air space improves year-round performance. (Double-pane glass is standard.)
6. Interlock at sash meeting rails provides a strong seal against air infiltration.
7. SST Spacer System with a structural foam design helps block the conduction of heat at the edge of the glass for superior thermal performance and longevity.
8. Polyurethane fiberglass reinforcement in the sash meeting rails significantly increases structural performance.
9. Double lift rails are integrated into the sash for a smooth, continuous frame; ensures easy operation and stability.
10. Coved contoured glazing bead provides a neat finished look.
11. TrueCapture sloped sill helps water drain to the exterior while enhancing protection from water and air infiltration.
12. Hidden screen track for clean lines and added beauty.

ADDITIONAL FEATURES:

- Fusion-welded sashes and masterframe add strength and rigidity. Tough, extra-thick extrusion walls provide the ultimate in welding strength.
- Dual vent stops provide a limited and convenient opening of the window for ventilation.
- Full balance covers help protect against air infiltration while adding a finished look to the window frame.
- EvenForce block and tackle balance system for smooth and easy fingertip operation (double-hung windows only).
- Tilt-in top and bottom sashes offer convenient cleaning access from inside the home (double-hung windows only).
- Triple-barrier weatherstripping delivers superior protection from air and water infiltration.
- Dual-durometer exterior glazing bead provides excellent watershed and enhanced beauty.
- Half screens are standard; optional full screens are available.**
